II. Summary

III. Questions & Answers

If you've been sending your reports but they haven't made it to the lists, please forward them to the ARC Reports, Sally McCampbell, at kcwolf lady at gmail dot com. That way we can get your prestige awards corrected.

QUESTIONS ANSWERED BY REGIONAL:

From NE-006-I:

Problem: The CRD is incorrect with Coordinator information, still (it has been so for over for a year and a half [January 2010]). The Coordinator website (where the reports are stored) is also incorrect, we aren't in Omaha---we're in Kearney, sorry folks just thought

it would be better restated.

Response: I'll see about getting these updated.

From CO-015-D

Currently, there are three members of this domain, that I know about, who are unable to access the Approvals Database, the CRD or other "Camarilla/MES" secured sites.

Response: Have these all been listed in Mantis, the bug-tracking program?

http://camarilla.white-wolf.com/bugs/main_page.php

It looks as though the issues logged there are getting pretty backed up, though.

QUESTIONS FOR NATIONAL:

IV. Projects

We were successful on getting Coordinator Recognition Awards backdated for the last few years. If you are or were a coordinator and think you may have gotten this award, check the USNC report. They're all listed there.
