II (a). Regional Projects and notes

- (1) Working on getting Lawrence Domain final approval.
RC & RST Recommendations sent, awaiting NC or Cam Council approval.
- (2) Working on getting transfers in, out and within the region caught up.
- (3) Working on getting a list of OOC Donations for NCRE 8 UPDATE Assigned ARC Admin to begin compiling list.
- (4) Working on getting contact with Lost Hearts to see if Chapter can be worked back into the Green or if it needs to be folded.
UPDATE – Received one response from Joe Thomas which was not encouraging. There are only two members from their membership list who renewed, so I will be recommending that they are folded.
- (5) Working on getting contact with Shadows over Hellgate to see if Domain can be worked back into the Green or if it needs to be folded.

II (b). RC Questions

- (1) What is the state of the Regional fund? (2) Is there a timetable for when ST Recognition Awards will be updated? I have several members in the Region who are (or have been previously) eligible for this award, yet we haven't seen awards for this. What can I do to help this along?

(3) Jason Carmichael US2002022331 should have received prestige for the 2003 National Blood drive. What do I need to do to get him added?

III. Answer to questions asked by CC's or DC's

From CO-005-C

Q. Two members are within the "all call" placed by Cathy Emerson the US ANC Prestige. Awaiting confirmation of her receipt of these logs.

A. I have them on my list to ask about and watch for.

From CO-014-D

Q. James "Wolf" Thye US2002022166 appears as a member of the Domain of Boulder's in the national database. This member transferred to a chapter in Colorado Springs when he moved in December of 2002 (CO-005 House on Ground Zero Chapter [Colorado Springs]) Please update this national database if this is indeed where he still is.

A. Done. If this is incorrect, someone let me know.

From CO-016-D

Q. I have issue with the way that Julian Dillard feels that it's his job to also recommend prestige for VST's in the domains when that is a function of the DST. I will continue to award prestige based on the DST recommendations and not the RST.

A. While the RST can RECOMMEND prestige for the DSTs and VSTs, it is up to the DC to award such prestige (or the RC in the case of Independent Chapters). If the DC feels that the RST recommendation is inappropriate, they can adjust it as they see fit. Please just make sure to include a note saying why the adjustment was made (i.e., didn't report, didn't run game, did more than required, or whatever your reason is).

Q. Did the issue with Jason Young's prestige and transfer ever get resolved?

A. On my end it has been. There is still a dispute on the table regarding his prestige, but I have received no response to my offers to work to resolve the dispute.

From KS-010-C

Q. Still awaiting word on Brandon Murphy's transfer to EOI. The last I had heard was that his MC log was still pending correction and final approval. HE currently holds a position in the Domain could the transfer go through and he be listed as MC 1 until the log is approved?

A. Yes. The last correspondence I had from him was that he was making the corrections and would send me his log once these were complete. I have no problem with him transferring as MC 1 and then going from there.

Q. Jason Carmichael US2002022331 should have received prestige for the 2003 National Blood drive. It has been requested that this be put up the chain formally through reports so here it is. What is the status of this prestige or what needs to be done to get this prestige awarded?

A. I have put it in my report to go up the chain.

From KS-011-I

Q. What kind of expectations should one hold for a member who is of high MC? Should the expectations be more as their MC continues rising? Should an inactive member of a high MC who stopped being active via an inappropriate email be held accountable for their actions in some fashion?

A. Every member regardless of their MC is held to the same high standards. Everyone must obey the Handbook and the Code of Conduct. If a high MC person sends an inappropriate email that violates the Code of Conduct or the Global Communications Policy, they should be held accountable the same as a low MC person was. I have heard it stated that a higher MC person (or an officer) must be held to a higher standard, but wouldn't that mean that a lower MC person (or a non-officer) would be allowed to get away with more?

I don't think this should ever happen. The rules apply the same to everyone. If there is a specific incident you would like to discuss, please contact me privately.

Q. I'm not real sure when to report the regional clothing drive stuff. I am just "nominating" the members for regional, so I figured last month and this month would be alright, but I have heard conflicting reports on this. So, am I supposed to report the nomination before or after Tom's report?

A. I am awarding the prestige based solely on Tom's report. Therefore, all nominations for the drive would need to be in to Tom before his report. He requested in the email announcing the drive and in a reminder email sent on August 8 to the nc-region list that all nominations be in to him by the 9th of the month. If you did not submit anything to him for July's donations, please do so.

From KS-013-D

Q. I have approved the transfer of Holly Kubaskie US2002021248 From KS-001-C To IL-013-D. I have received approval confirmation from her current CC, RC, and requested new DC. However, I have not heard any news from the NC or GL-RC about the status of the transfer. Can I please get an update?

A. Per an email confirmation from Dennis Byron on September 15, 2004, this transfer has been completed.
