(1) There appears to be lots of charity work going on in the Springs. This reports includes mention : "Christmas Unlimited – gift donation, another unnamed charity for gifts for needy child n, and the Mission:Wolf sanctuary charity.

(2) Had query from Black Rose regarding new Garou rules. Basically told them as soon as I heard about them there would be a post

to the regional email list - in the meantime, use what they've been sing - i.e. Spring '97. An ST question, but one which I can handle <g>

(3) Dan has sent me an email update on 12/26 which I will forward onto the DoC as part of his of report. Quick summary: Garou chapter floundering (no meetings, no games, no nothing), ST conflicts th ST's and complete lack of reports for months. Currently following up voice.

MO007 Coterie of the Amber Rose Reported 11/24/97

CC Kelly Wilson 9506-084

Notes:

(1) Reports caught back up - some chapter reports this month are combined; some just turned in two separate monthly reports.

(2) Commented to DC that a couple of reports didn't have member addresses, phone numbers nor expiration dates on members (nor who there CS was)

(3) New chapter in SE part of city was hiatus during holidays.

(4) I've "purloined" one the DC's assistants to be a new ARC-Outreach - Julian Dillard. Julian did quite a bit of communication work with chapters across the country for ICC, and is a very outgoing person.

Independent Chapters

Chapter CO004 House of the Dark Vendetta (Ft. Collins CO)

Last Contact: 08-12-97 (minimal) Last Report:
05-20-97

Status: Defunct

CC: James Reardon <dragon@verinet.com>

(no address)

Notes: Per communication with both James Reardon(CC) & Jason Denton (CS) the Ft. Collins chapter is defunct.

(1) James Denton will be remaining as a Ft. Collins contact point.

Dependent on a report to myself monthly reporting any activity, I will be awarding him a small monthly prestige award to remain the contact point.

Chapter KS001 House of Dominion of Solitude

Last Contact: 12-27-97 Last Report: 12-02-97
Status: Green <http://www.geocities.com/Area51/8355>
CC: Jeffrey Harrington 9707-018 <j-p-harrington@juno.com>
1912 SW Van Buren
Topeka KS 66612

Notes: (1) I, Marc Spencer and Tori Mauslein of Silent Voice (KC) attended both their potluck on 12/7 and their first sanctioned play game on 12/1

(2) Their CC has communicated a problem to me. So far, their CS has never filed a report with the RS and has communicated an intent not to do so. He's worried about it, quite understandably. I told him that withholding prestige until a report is filed is quite acceptable - suspending him is probably a bit extreme. I also told him that typically the RS will end up pulling sanctioning from game that doesn't file reports

- perhaps the chapter should get together and discuss what they should do as they probably would not like that situation.

Chapter NE001 House of the Ebon Seraph

Developing Areas:

(none)

But an initial contact with a John LaFontaine of Junction City KS who joined at ICC. That's about an 1-1/2 hours west of Topeka KS. John Rolfe, CS of the Ebon Seraph is moving to the same area. ill be hooking them up with Jeffrey Harrington (Topeka).

Actually, I'll be putting that entire project with the ARC-Outreach <joy!>

David Vosburgh - 40 pts for November.

Things of Note:

- (1) DanF had requested at DragonCon that I get a reality report each month from the RS. So far, I've been fruitless in that pursuit. Must apply more persuasion or some such. (A few months ago, I did get him to talk about such a report while he was trapped in the car while traveling.)
- (2) I've pulled the regional newsletter back to myself and will put it out monthly for a couple of months. Direct mail of masters to each CC/DC in the region, et
- (3) Getting with Dave Blackwell to finalize prestige recommendations for GenCon (again after "vacation.")
- (4) There's undoubtedly more, but I'll get to that as it occurs. This is late enough <g>.
