Chapter coordinators are responsible for awarding prestige to their ACC's and most general prestige for their chapter members. As VST's are now domain level positions, Domain coordinators are now responsible for awarding prestige awards to the VST's along with the following people: CC's, DST, ADC's, ADST's, VST's and AVST's. These awards must be listed in your domain reports. From now on DC's who fail to put these awards into their reports will be docked prestige from their monthly award from me. As the RC I award prestige to the RST, ARST's, ARC's, and DC's, along with CC's and VST's from Independent Chapters.

- (1) Working on getting Lawrence Domain final approval. RC & RST Recommendations sent, awaiting NC or Cam Council approval.
- (2) Working on getting transfers in, out and within the region caught up.
- (3) Working on getting a list of OOC Donations for NCRE 8 UPDATE Assigned ARC Admin to begin compiling list.
- (4) Working on getting contact with Lost Hearts to see if Chapter can be worked back into the Green or if it needs to be folded. UPDATE – Received one response from Joe Thomas which was not encouraging. There are only two members from their membership list who renewed, so I will be recommending that they are folded.
- (5) Working on getting contact with Shadows over Hellgate to see if Domain can be worked back into the Green or if it needs to be folded.

-----  
II (b). RC Questions

- (1) What is the status of the refund for NCRE 9 to CO-016-D (Denver)?
- (2) Kelly Wilson, US2002021502, CC for MC-001-C, and Brandi Lyn Anthony, US2002023471, CC for CO-006-C should be up for the National Coordinators Recognition Program.
- (3) What is the state of the Regional fund?
- (4) Is there a timetable for when ST Recognition Awards will be updated? I have several members in the Region who are (or have been previously) eligible for this award, yet we haven't seen awards for this. What can I do to help this along?

III. Answer to questions asked by CC's or DC's

-----  
From CO-005-C

Q. Two members are within the "all call" placed by Cathy Emerson the US ANC Prestige. Awaiting confirmation of her receipt of these logs.

A. I have them on my list to ask about and watch for.

From CO-006-C

From CO-014-D

From CO-016-D

Q. We were guaranteed to get the pre-registration money for NCRE 9 reimbursed as part of the insane amount of money the domain put towards the event. I jumped through a bunch of hoops to get that money promised to us, and WW eventually agreed. However, this was a couple of months ago and we still haven't seen the money.

A. I will pass it up the chain and see what I can find out.

From KS-009-I

Q. Sandra Gilligan asked about prestige for her terms as Coordinator. She asked "We only have me down for it twice in my log. I was eligible for it 4 times, I see my name on the list correctly three times and once with my name on the wrong chapter."

A. Which prestige is are you wanting to know about? Her actually CC prestige or the Coordinator Recognition prestige?

From KS-010-C

Q. Still awaiting word on Brandon Murphy's transfer to EOI. The last I had heard was that his MC log was still pending correction and final approval. HE currently holds a position in the Domain could the transfer go through and he be listed as MC 1 until the log is approved?

A. Yes. The last correspondence I had from him was that he was making the corrections and would send me his log once these were complete. I have no problem with him transferring as MC 1 and then going from there.

Q. Jason Carmichael US2002022331 should have received prestige for the 2003 National Blood drive. It has been requested that this be put up the chain formally through reports so here it is. What is the status of this prestige or what needs to be done to get this prestige awarded?

A.

From KS-011-I

Q. I STILL haven't heard anything about the reviews I sent up to national to lock in their prestige totals-Marisa Stanley and John Heflin. In fact, I haven't even heard if they've been received, which is quite disconcerting. I emailed the ANC Prestige already and didn't receive a response.

A. I will put them on my list to ask about and watch for.

Q. According to the membership handbook, the RC awards independent chapter VST prestige. I was mistaken and thought that I, as their supervising coordinator did so. It also says in the membership handbook that their supervising coordinator did so. So, is it okay for them to have this prestige on their prestige logs because they do and these logs have went through regional approval for the MC they are at???

A. As RC, I award for the RST, ARSTs, ARCs, DCs and CCs and VSTs for Independent Chapters. If there are VSTs in Independent Chapters that need to have their prestige awarded at my level (i.e. they have previously been awarded at the CC level, but need to be made "official"), please have the CCs send them to my ARC Outreach and we will get them awarded for you.

Q. Didn't we apply for being a domain in April? What's the expected turn-around on a domain application? My chapter members are getting very impatient, asking me frequently what the status of the application is.

A. The turn around time varies with each application due to many different factors. At this time, Chuck has my and Julian's recommendations and has forwarded the application on for final approval from Wes or the Cam Council. Hopefully it won't be too much longer.
