members. As VST's are now domain level positions, Domain coordinators are now responsible for awarding prestige awards to the VST's along with the following people: CC's, DST, ADC's, ADST's, VST's and AVST's. These awards must be listed in your domain reports. From now on DC's who fail to put these awards into their reports will be docked prestige from their monthly award from me. As the RC I award prestige to the RST, ARST's, ARC's, and DC's, along with CC's and VST's from Independent Chapters.

When a Coordinator reaches 3 months of consecutive on-time and complete reporting, 5 Prestige of their award will be converted to Regional Prestige. In other words, if your award would be 40 General Prestige, you will instead receive 35 General and 5 Regional Prestige. For each additional month that you are on-time and complete, you will also have 5 Prestige of your award converted. If you are late or incomplete on a report, your count will start over. In other words, if you are on-time and complete 2 months in a row, late on the third month and on-time and complete on the fourth month, you will be considered to be on time 1 month and need 2 more months of on-time complete reporting to receive the award. Under each Coordinator's name is a listing of the months, starting in July. Underneath each month is a letter: N means No Report, I means Incomplete Report, L means Late Report, O means Late and Incomplete Report, R means On time and Complete Report. This format may change, so check here for any clarifications.

II (a). Regional Projects and notes

- (1) Working on getting transfers in, out and within the region caught up.
- (2) Working on scheduling a mini-regional.

II (b). RC Questions

- (1) Is there a timetable for when ST Recognition Awards will be updated? I have several members in the Region who are (or have been previously) eligible for this award, yet we haven't seen awards for this. What can I do to help this along?
- (2) Jason Carmichael US2002022331 should have received prestige for the 2003 National Blood drive. What do I need to do to get him added? – UPDATE Working with Pearce on this and Jennifer Judkoff as well.
- (3) How is prestige for Assistant Operators on mIRC reported? Will it be reported directly to the player and/or their coordinator? Or do they have to go to the website each month to get the prestige listing?
- (4) When will the 1st Night prestige be released?

ARC Publications: Report Received

III. Answer to questions asked by CC's or DC's

From CO-005-C

Q. I was AGSTA Garou Timelines from Nov 2003-May 2004. This prestige is not verified ANYWHERE. I have copies of at least 2 of the reports that were sent by the AGSA Timelines, but I don't have any for the other months. Is there anyway we can look into where this prestige is, if I can get it verified somehow, so that I can still be eligible for the prestige?

A. Go to <http://camarilla.white-wolf.com/MST/prestige/>. It has information on how to get the recommendations sent to the MST so that they can be reviewed and awarded.

Q. We are working on a recruitment drive. Is there recruitment material (ie premade posters) available for use?

A. There are some available on the Club Director's Website: <http://camarilla.white-wolf.com/clubdirector/recruit/fliers.html>. You can also ask across the Coordinator's list for examples other Chapters/Domains have used.

From CO-012-I

Q. There were issues with Craig Wolf US2002034325 renewing. He was an old member that last expired and was active when his rollover membership expired 1-1-04. Somehow he was assigned a new membership number etc. I have gotten the issue straightened out, and his new expiration date is attached to his old cam number above. However icamarilla is still showing him as an active member of my chapter under the newly assigned number as well US2005033059. These are duplicate cam numbers and only the first one is correct.

A. Issue appears to be fixed. If it happens again, let me know.

From KS-011-D

Q. When will the 1st Night prestige be released? (I'm itchin' for my MC11 review J)

A. I will pass it up the chain.
