III. Coordinator and Storyteller Prestige

All coordinator prestige listed is for October

All storyteller prestige listed is for October

**A note on prestige and awards.

Chapter coordinators are responsible for awarding prestige to their ACC's and most general prestige for their chapter members. As VST's are now domain level positions, Domain coordinators are now responsible for awarding prestige awards to the VST's along with the following people: CC's, DST, ADC's, ADST's, VST's and AVST's. These awards must be listed in your domain reports. From now on DC's who fail to put these awards into their reports will be docked prestige from their monthly award from me. As the RC I award prestige to the RST, ARST's, ARC's, and DC's, along with CC's and VST's from Independent Chapters.

When a Coordinator reaches 3 months of consecutive on-time and complete reporting, 5 Prestige of their award will be converted to Regional Prestige. In other words, if your award would be 40 General Prestige, you will instead receive 35 General and 5 Regional Prestige. For each additional month that you are on-time and complete, you will also have 5 Prestige of your award converted. If you are late or incomplete on a report, your count will start over. In other words, if you are on-time and complete 2 months in a row, late on the third month and on-time and complete on the fourth month, you will be considered to be on time 1 month and need 2 more months of on-time complete reporting to receive the award. Under each Coordinator's name is a listing of the months, starting in July. Underneath each month is a letter: N means No Report, I means Incomplete Report, L means Late Report, O means Late and Incomplete Report, R means On time and Complete Report. This format may change, so check here for any clarifications.

II (a). Regional Projects and notes

- (1)
- (2) Working on getting transfers in, out and within the region caught up.
- (3)
- (3) Working on getting a list of OOC Donations for NCRE 8 UPDATE Assigned ARC Admin to begin compiling list.
- (4) Working on getting contact with Shadows over Hellgate to see if Domain can be worked back into the Green or if it needs to be folded. – UPDATE Domain is officially folded

II (b). RC Questions

- (1) What is the state of the Regional fund? – UPDATE Working with the NFA to get this straightened out.
- (2) Is there a timetable for when ST Recognition Awards will be updated? I have several members in the Region who are (or have been previously) eligible for this award, yet we haven't seen awards for this. What can I do to help this along?
- (3) Jason Carmichael US2002022331 should have received prestige for the 2003 National Blood drive. What do I need to do to get him added? – UPDATE Working with Pearce on this and Jennifer Judkoff as well.
- (4) <http://www.embraced.net/usanceprestige/natMCstandards.htm> . Is this policy still in place? If we feel that these standards are not being maintained, what action can various *C levels take?
- (5) CO-002-C – Recommended to be closed due to inactivity by DC and RC

III. Answer to questions asked by CC's or DC's

From CO-011-I

Q. Under the incentive program to have part of your prestige converted to regional for getting reports in on time, if the ACC is the one doing the reports who will get the regional prestige?

A. Let me think about that one. I hadn't considered that. UPDATE – After thinking about it, since I would have no way of knowing that the ACC is the one doing the report and it is ultimately the CC's responsibility to make sure the report is in on time, I would award the regional prestige to the CC. However, should the CC wish the ACC to receive their award for the month, they may contact me and we can discuss it at that time. I will likely take such requests on a case by case basis.

From CO-012-I

Q. For temp Members I understand that they can not use their MC Class, however should any prestige worthy services etc be tracked and reported monthly for them or should all of that be reported all at once if/when they pay for their membership?

A. They cannot earn prestige unless/until a full membership is purchased. Therefore, it should all be reported at once if/when they purchase a membership.

Q. Does prestige awarded by officers other than myself (such as Regional by the RC, or National by the NC etc) need to be reported a second time by myself in the detailed listing of prestige for each member?

A. I would recommend it so that when their totals go up on your report, there is a listing right below that explains why. It also helps to have it listed in multiple places for record keeping purposes.

From KS-010-C

From KS-011-D

Q. KC has talked about having a mini regional next year. We also discussed having a mage only mini regional. We're thinking about working with them and getting something going since we're so close. Mostly just making sure this sounds alright to you.

A. I'm cool with that. See the response I gave to KS-017-C about the mini-regionals for more info.

From KS-014-C

Q. What are the changes in the "Newest" prestige format from the older version?

A. It is a completely different format. It has a different header that auto populates the amounts needed based on what MC is being requested. It has different columns and different drop-downs for the categories.

From KS-017-C

Q. Do not know if changing Chapter name will cause problems in the chain above. IE the database, RC and NC reporting, WW webpage, ect. Have changed name to Shadow Kings

A. I will pass it up the chain.

Q. In order for a troupe game ST to get prestige, would the game need to be sanctioned? Meaning players would need to be Cam members, a CC would need to be there, and the COC would need to be enforced correct? But if the Troupe game was run by an ACC Troupe game (that took care of the sting the coordinating, and the whole thing, the chapter supplied the site fee) would that mean it could stay an open game available for all players?

A. If a troupe game receives prestige in any way, it is considered Cam only and players would need to be Cam members, a CC (or their designate) would need to be there and the CoC would need to be enforced. In order for non-Cam members to participate, no one would be able to receive prestige from running/organizing the game in any way.

Q. How would a CC go about awarding an appropriate Exceptional Service award?

A. Only an RC can award Exceptional Service prestige. If a CC feels that a member deserves to be awarded Exceptional Service prestige, they simply need to get their DC's approval (if in a Domain) and email me about it and we can discuss whether or not it is appropriate.

Q. Discussion for a Mini Regional since Regional will be biannual. We would like to host one for the first Garou Game in April. The idea has been brought up Domain wide with no response. The RC has been talked to about it also. Waiting on more from her.

A. I would be more than willing to support you guys on this, but I need more than just "we want one". I would suggest following the same bid guidelines that are used for Regional Events. This will give you (and me) more of an idea of what all you need to have done to host a mini-regional. The bid guidelines can be found at: http://camarilla.white-wolf.com/conventions/policies/bids/NCRE_Bid.doc
